Certificate of Amendment to the Restated Certificate of Incorporation

Pursuant to the provisions of Sections 14A:7, 14A:9-1(d), 14A:9-2(4) and 14A:9-4(3), Corporations, General, of the New Jersey Statutes, the undersigned corporation executes the following Certificate of Amendment to its Certificate of Incorporation:

1. The name of the corporation is Mediavest, Inc. (the "Corporation").
2. The following Certificate of Amendment to the Restated Certificate of Incorporation of the Corporation (the "Certificate of Amendment") was approved by the board of directors of the Corporation (the "Board") on August 3, 2006:

Resolved, that Article III (a) of the Restated Certificate of Incorporation of the Corporation be amended to read as follows:

"a. The total number of shares of capital stock which the Corporation is authorized to issue is One Hundred and One Million (101,000,000) shares, consisting of One Hundred Million (100,000,000) shares of common stock, \$0.0001 par value per share ("Common Stock"), and One Million (1,000,000) shares of preferred stock, \$0.0001 par value per share ("Preferred Stock").

There is hereby created, out of the 1,000,000 shares of Preferred Stock of the Corporation remaining authorized, unissued and undesignated, a series of the Preferred Stock consisting of 100,000 shares, which series shall have the following powers, designations, preferences and relative, participating, optional or other rights, and the following qualifications, limitations and restrictions (in addition to any powers, designations, preferences and relative, participating, optional or other rights, and any qualifications, limitations and restrictions, set forth in this Certificate of Incorporation which are applicable to the Preferred Stock):

SECTION 1 Designation of Amount.

(a) One hundred thousand (100,000) shares of Preferred Stock shall be, and hereby are, designated the "Series A Convertible Preferred Stock" (the "Series A Preferred Stock"), par value .0001 per share.

(b) Subject to the requirements of the NJBCA, the Certificate of Incorporation and this Certificate of Designation, the number of shares of Preferred Stock that are designated as Series A Preferred Stock may be increased or decreased by vote of the Board of Directors; provided, that no decrease shall reduce the number of shares of Series A Preferred Stock to a number less than the number of such shares then outstanding plus the number of such shares reserved for issuance upon the exercise of outstanding options, rights or warrants or upon the conversion of any other outstanding securities issued by the Corporation that are convertible into or exercisable for Series A Preferred Stock. Any shares of Series A Preferred Stock converted, redeemed, purchased or otherwise acquired by the Corporation in any manner whatsoever shall, automatically and without further action, be retired and canceled promptly after the acquisition thereof.

SECTION 2 Certain Definitions.

Unless the context otherwise requires, the terms defined in this Section 2 shall have, for all purposes of this resolution, the meanings specified (with terms defined in the singular having comparable meanings when used in the plural).

"Affiliate" shall mean, with respect to any person, any other person directly or indirectly controlling or controlled by or under direct or indirect common control with such specified person and, in the case of a person who is an individual, shall include (i) members of such specified

person's immediate family (as defined in Instruction 2 of Item 404(a) of Regulation S-K under the Securities Act) and (ii) trusts, the trustee and all beneficiaries of which are such specified person or members of such person's immediate family as determined in accordance with the foregoing clause (i). For the purposes of this definition, "control," when used with respect to any person means the power to direct the management and policies of such person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms "affiliated," "controlling" and "controlled" have meanings correlative to the foregoing.

"Common Stock" shall mean the common stock, par value \$.0001 per share, of the Corporation.

"Conversion Date" shall have the meaning ascribed to such term in Section 6(d).

"Conversion Price" shall mean the Original Purchase Price of each share of Common Stock, subject to adjustment from time to time in accordance with Section 6(c).

"Exchange Act" shall mean the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder.

"Initial Issue Date" shall mean the date that shares of Series A Preferred Stock are first issued by the Corporation.

"NJBCA" shall have the meaning set forth in the preamble to this Certificate of Designation.

"Original Purchase Price" shall mean the per share purchase price for a share of Series A Preferred Stock of \$1.00, or such other price set forth in the Purchase Agreement or other subscription agreements pursuant to which Series A Preferred Stock is sold.

"person" shall mean any individual, partnership, company, limited liability company, joint venture, association, joint-stock company, trust, unincorporated organization, government or agency or political subdivision thereof, or other entity.

"Preferred Stock" shall have the meaning set forth in the preamble to this Certificate of Designation.

-2-

"Purchase Agreement" shall mean the Series A Convertible Preferred Stock Purchase Agreement, dated as of October __, 2006, by and between the Corporation and the purchaser identified therein.

"Securities Act" shall mean the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder.

"Series A Preferred Stock" shall have the meaning set forth in Section 1.

"Series A Recapitalization Event" shall mean any stock dividend, stock split, combination, reorganization, recapitalization, reclassification, or other similar event involving a change in the capital structure of the Series A Preferred Stock.

"Subsidiary" means, with respect to any person, (a) a company a majority of whose capital stock with voting power, under ordinary circumstances, to elect directors is at the time, directly or indirectly, owned by such person, by a subsidiary of such person, or by such person and one or more subsidiaries of such person, (b) a partnership in which such person or a subsidiary of such person is, at the date of determination, a general partner of such partnership, or (c) any other person (other than a company) in which such person, a subsidiary of such person or such person and one or more subsidiaries of such person, directly or indirectly, at the date of determination thereof, has (i) at least a majority ownership interest, (ii) the power to elect or direct the election of the directors or other governing body of such person, or (iii) the power to direct or cause the direction of the affairs or management of such person. For

purposes of this definition, a person is deemed to own any capital stock or other ownership interest if such person has the right to acquire such capital stock or other ownership interest, whether through the exercise of any purchase option, conversion privilege or similar right.

SECTION 3 Voting Rights.

(a) General. Except as otherwise provided by the NJBCA and in addition to any voting rights provided by the NJBCA or other applicable law, the holders of Series A Preferred Stock shall be entitled to vote (or render written consents) together with the holders of the Common Stock and any other class or series of capital stock of the Corporation entitled to vote together with the holders of the Common Stock as a single class on all matters submitted for a vote of (or written consents in lieu of a vote as permitted by the NJBCA, the Certificate of Incorporation and the Bylaws) holders of Common Stock; and shall have such other voting rights as are specified in the Certificate of Incorporation and this Certificate of Designation. When voting together with the holders of Common Stock, each share of Series A Preferred Stock shall entitle the holder thereof to cast one vote for each vote that such holder would be entitled to cast had such holder converted its Series A Preferred Stock into shares of Common Stock as of the record date for determining the stockholders of the Corporation eligible to vote on any such matter or, if no such record date is established, at the date such vote is taken or any written consent of stockholders is solicited. The holders of Series A Preferred Stock shall be entitled to receive notice of any stockholders' meeting in accordance with the Certificate of Incorporation and Bylaws of the Corporation.

-3-

(b) Waivers. Except to the extent otherwise provided in this Certificate of Designation or required by the NJBCA, the holders of the Series A Preferred Stock may, via affirmative vote or written consent in lieu thereof, waive any rights of the holders of the Series A Preferred Stock set forth in this Certificate of Designation.

SECTION 4 Dividends.

(a) Dividend Amount. If the Board of Directors shall declare a dividend payable upon the then outstanding shares of Common Stock, the holders of the outstanding shares of Series A Preferred Stock shall be entitled to the amount of dividends on the Series A Preferred Stock as would be declared payable on the largest number of whole shares of Common Stock into which the shares of Series A Preferred Stock held by each holder thereof could be converted pursuant to the provisions of Section 6 hereof, such number to be determined as of the record date for determination of holders of Common Stock entitled to receive such dividend or, if no such record date is established, as of the date of such dividend. Such determination of "whole shares" shall be based upon the aggregate number of shares of Series A Preferred Stock held by each holder, and not upon each share of Series A Preferred Stock so held by the holder.

(b) Distributions Other than Cash. Whenever the distributions provided for in this Section 4 shall be payable in property other than cash, the value of such distribution shall be the fair market value thereof as determined in good faith by the Board of Directors. All distributions (including distributions other than cash) made hereunder shall be made pro rata to the holders of Series A Preferred Stock.

(c) Equitable Adjustments. All numbers relating to the calculation of dividends shall be subject to an equitable adjustment in the event of any Series A Recapitalization Event.

SECTION 5 Liquidation Preference.

(a) Liquidation Preference of Series A Preferred Stock. In the event of any liquidation, dissolution, or winding up of the Corporation, whether voluntary or involuntary, or in the event of its insolvency, the holders of Series A Preferred Stock shall be entitled to have set apart for them, or to be paid, out of the assets of the Corporation available for distribution to stockholders (whether such assets are capital, surplus or earnings) after provision for payment of all debts and liabilities of the

Corporation in accordance with the NJBCA, before any distribution or payment is made with respect to any shares of Common Stock or any other class or series of capital stock of the Corporation designated to be junior to the Series A Preferred Stock and subject to the liquidation rights and preferences of any class or series of Preferred Stock designated to be senior to, or on a parity with, the Series A Preferred Stock with respect to liquidation preferences, an amount equal to the greater of (i) \$10.00 per share of Series A Preferred Stock (which amount shall be subject to an equitable adjustment in the event of any Series A Recapitalization Event) and (ii) such amount as would have been payable on the largest number of whole shares of Common Stock into which the shares of Series A Preferred Stock held by each holder thereof could have been converted immediately prior to such event of liquidation, dissolution or winding up pursuant to the provisions of Section 6 hereof.

-4-

(b) Insufficient Assets. If, upon any liquidation, dissolution, or winding up of the Corporation, whether voluntary or involuntary, the assets legally available for distribution among the holders of the Series A Preferred Stock shall be insufficient to permit payment to such holders of the full preferential amount as provided for in Section 5(a) above, then such holders shall share ratably in any distribution of available assets according to the respective amounts which would otherwise be payable with respect to the shares of Series A Preferred Stock held by them upon such liquidating distribution if all amounts payable on or with respect to such shares were paid in full, based upon the aggregate liquidation value payable upon all shares of Series A Preferred Stock then outstanding.

(c) Cash-Out Election.

(i) Each holder of Series A Preferred Stock may elect, by written notice to the Corporation given within 10 days after any such transaction is consummated, to treat any of the following transactions as a dissolution or winding up of the Corporation for the purposes of this Section 5: (1) a consolidation or merger of the Corporation with or into any other corporation or corporations, (2) a sale of all or substantially all of the assets of the Corporation, (3) the issuance and/or sale by the Corporation in a single or integrated transaction of shares of Common Stock (or securities convertible into shares of Common Stock) constituting a majority of the shares of Common Stock outstanding immediately following such issuance (treating all securities convertible into shares of Common Stock as having been fully converted and all options and other rights to acquire shares of Common Stock or securities convertible into shares of Common Stock as having been fully exercised) and (4) any other form of acquisition or business combination where the Corporation is the target of such acquisition and where a change in control occurs such that the person or entity seeking to acquire the Corporation has the power to elect a majority of the Board of Directors as a result of the transaction (each such event an "Acquisition"); provided, however, that each holder of Series A Preferred Stock shall have the right to elect the benefits of the provisions of Section 6(c)(iv) hereof in lieu of receiving payment in liquidation, dissolution or winding up of the Corporation pursuant to this Section 5.

(ii) the provisions of this Section 5(c) shall not apply to any reorganization, merger or consolidation involving (1) only a change in the state of incorporation of the Corporation, or (2) a merger of the Corporation with or into a wholly-owned subsidiary of the Corporation that is incorporated in the United State of America.

(d) Distributions Other than Cash. Whenever the distribution provided for in this Section 5 shall be payable in property other than cash, the value of such distribution shall be the fair market value thereof as determined in good faith by the Board of Directors of the Corporation. All distributions (including distributions other than cash) made hereunder shall be made pro rata to the holders of Series A Preferred Stock.

-5-

(e) Equitable Adjustments. The amounts to be paid or set aside for payment

as provided above in this Section 5 shall be proportionately increased or decreased in inverse relation to the change in the number of outstanding shares resulting from any Series A Recapitalization Event.

SECTION 6 Conversion Rights.

(a) General. Subject to and upon compliance with the provisions of this Section 6, each holder of shares of Series A Preferred Stock shall be entitled, at its option, at any time, to convert all or any such shares of Series A Preferred Stock into the number of fully paid and nonassessable shares of Common Stock equal to the number obtained by dividing (i) the Original Purchase Price of such Series A Preferred Stock, plus the amount of any accumulated but unpaid dividends as of the Conversion Date by (ii) the Conversion Price in effect at the close of business on the Conversion Date (determined as provided in this Section 6).

(b) Fractions of Shares. No fractional shares of Common Stock shall be issued upon conversion of shares of Series A Preferred Stock. If more than one share of Series A Preferred Stock shall be surrendered for conversion at one time by the same holder, the number of full shares of Common Stock to be issued shall be computed on the basis of the aggregate number of shares of Series A Preferred Stock so surrendered. Instead of any fractional shares of Common Stock which would otherwise be issuable upon conversion of any shares of Series A Preferred Stock, the Corporation shall pay a cash adjustment in respect of such fractional share in an amount equal to the product of such fraction multiplied by the fair market value of one share of Common Stock on the Conversion Date as determined in good faith by the Board of Directors.

(c) Adjustments to Conversion Price. The Conversion Price shall also be subject to adjustment from time to time as follows:

(i) Upon Stock Dividends, Subdivisions or Splits. If, at any time after the date hereof, the number of shares of Common Stock outstanding is increased by a stock dividend payable in shares of Common Stock or by a subdivision or split-up of shares of Common Stock, then, following the record date for the determination of holders of Common Stock entitled to receive such stock dividend, or to be affected by such subdivision or split-up, the Conversion Price shall be appropriately decreased so that the number of shares of Common Stock issuable on conversion of Series A Preferred Stock shall be increased in proportion to such increase in outstanding shares.

(ii) Upon Combinations. If, at any time after the date hereof, the number of shares of Common Stock outstanding is decreased by a combination of the outstanding shares of Common Stock into a smaller number of shares of Common Stock, then, following the record date to determine shares affected by such combination, the Conversion Price shall be appropriately increased so that the number of shares of Common Stock issuable on conversion of each share of Series A Preferred Stock shall be decreased in proportion to such decrease in outstanding shares.

-6-

(iii) Capital Reorganization or Reclassification. If the Common Stock issuable upon the conversion of the Series A Preferred Stock shall be changed into the same or different number of shares of any class or classes of stock, whether by capital reorganization, reclassification or otherwise (other than a subdivision or combination or shares of stock dividend provided for elsewhere in this Section 6(c), or the sale of all or substantially all of the Corporation's properties and assets to any other person), then and in each such event the holder of each share of Series A Preferred Stock shall have the right thereafter to convert such share into the kind and amount of shares of stock and other securities and property receivable upon such reorganization, reclassification or other change by holders of the number of shares of Common Stock into which such shares of Series A Preferred Stock might have been converted, as the case may be, immediately prior to such reorganization, reclassification or change, all subject to further adjustment as provided herein.

(iv) Capital Reorganization, Merger or Sale of Assets. If at any time or from time to time there shall be a capital reorganization of the

Common Stock (other than a subdivision, combination, reclassification, or exchange of shares provided for elsewhere in this Section 6) or a merger or consolidation of the Corporation with or into another corporation, or the sale of all or substantially all of the Corporation's properties and assets to any other person, then, as a part of such reorganization, merger, or consolidation or sale, provision shall be made so that holders of Series A Preferred Stock, as the case may be, shall thereafter be entitled to receive upon conversion of the Series A Preferred Stock, the number of shares of stock or other securities or property of the Corporation, or of the successor corporation resulting from such merger, consolidation or sale, to which such holder would have been entitled if such holder had converted its shares of Series A Preferred Stock immediately prior to such capital reorganization, merger, consolidation or sale. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 6(c) with respect to the rights of the holders of the Series A Preferred Stock after the reorganization, merger, consolidation or sale to the end that the provisions of this Section 6(c), including adjustment of the Conversion Price then in effect for the Series A Preferred Stock and the number of shares issuable upon conversion of the Series A Preferred Stock) shall be applicable after that event in as nearly equivalent a manner as may be practicable.

(v) Deferral in Certain Circumstances. In any case in which the provisions of this Section 6(c) shall require that an adjustment shall become effective immediately after a record date of an event, the Corporation may defer until the occurrence of such event (1) issuing to the holder of any Series A Preferred Stock converted after such record date and before the occurrence of such event the shares of capital stock issuable upon such conversion by reason of the adjustment required by such event and issuing to such holder only the shares of capital stock issuable upon such conversion before giving effect to such adjustments, and (2) paying to such holder any amount in cash in lieu of a fractional share of capital stock pursuant to Section 6(b) above; provided, however, that the Corporation shall deliver to such holder an appropriate instrument or due bills evidencing such holder's right to receive such additional shares and such cash.

-7-

(d) Exercise of Conversion Privilege. In order to exercise the conversion privilege, the holder of any share of Series A Preferred Stock shall surrender the certificate evidencing such share of Series A Preferred Stock, duly endorsed or assigned to the Corporation in blank, at any office or agency of the Corporation maintained for such purpose, accompanied by written notice to the Corporation at such office or agency that the holder elects to convert such Series A Preferred Stock or, if less than the entire amount thereof is to be converted, the portion thereof to be converted. Series A Preferred Stock shall be deemed to have been converted immediately prior to the close of business on the date (the "Conversion Date") of surrender of such shares of Series A Preferred Stock for conversion in accordance with the foregoing provisions, and at such time the rights of the holder of such shares of Series A Preferred Stock as a holder shall cease, and the person or persons entitled to receive the Common Stock issuable upon conversion shall be treated for all purposes as the record holder or holders of such Common Stock as and after such time. As promptly as practicable on or after the Conversion Date, the Corporation shall issue and shall deliver at any office or agency of the Corporation maintained for the surrender of Series A Preferred Stock a certificate or certificates for the number of full shares of Common Stock issuable upon conversion, together with payment in lieu of any fraction of a share, as provided in Section 6(b). In the case of any certificate evidencing shares of Series A Preferred Stock that is converted in part only, upon such conversion the Corporation shall also execute and deliver a new certificate evidencing the number of shares of Series A Preferred Stock that are not converted.

(e) Notice of Adjustment of Conversion Price. Whenever the provisions of Section 6(c) require that the Conversion Price be adjusted as herein provided, the Corporation shall compute the adjusted Conversion Price in accordance with Section 6(c) and shall prepare a certificate signed by the Corporation's chief executive officer or chief financial officer setting

forth the adjusted Conversion Price and showing in reasonable detail the facts upon which such adjustment is based, and such certificate shall forthwith be filed at each office or agency maintained for such purpose for conversion of shares of Series A Preferred Stock and mailed by the Corporation at its expense to all holders of Series A Preferred Stock at their last addresses as they shall appear in the stock register.

(f) Corporation to Reserve Common Stock. The Corporation shall at all times reserve and keep available, free from preemptive rights, out of the authorized but unissued Common Stock or out of the Common Stock held in treasury, for the purpose of effecting the conversion of Series A Preferred Stock, the full number of shares of Common Stock then issuable upon the conversion of all outstanding shares of Series A Preferred Stock. Before taking any action that would cause an adjustment reducing the conversion price below the then par value (if any) of the shares of Common Stock deliverable upon conversion of the Series A Preferred Stock, the Corporation will take any corporate action that, in the opinion of its counsel, is necessary in order that the Corporation may validly and legally issue fully paid and non-assessable shares of Common Stock at such adjusted conversion price.

-8-

(g) Taxes on Conversions. The Corporation will pay any and all original issuance, transfer, stamp and other similar taxes that may be payable in respect of the issue or delivery of shares of Common Stock on conversion of Series A Preferred Stock pursuant hereto. The Corporation shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the issue and delivery of shares of Common Stock in a name other than that of the holder of the share(s) of Series A Preferred Stock to be converted, and no such issue or delivery shall be made unless and until the person requesting such issue has paid to the Corporation the amount of any such tax, or has established to the satisfaction of the Corporation that such tax has been paid."

3. The number of shares outstanding at the time of the adoption of the Certificate of Amendment was: 4,000,000. The total number of shares entitled to vote thereon was : 4,000,000.

-9-

4. The number of shares voting for and against the Certificate of Amendment is as follows:

The Company shall, upon request of the Holder and subsequent to the date on which a registration statement covering the resale of the Warrant Shares has been declared effective by the Securities and Exchange Commission, use commercially reasonable efforts to deliver Warrant Shares hereunder electronically through the Depository Trust Corporation or another established clearing corporation performing similar functions, if available, provided, that, the Company may, but will not be required to change its transfer agent if its current transfer agent cannot deliver Warrant Shares electronically through the Depository Trust Corporation. A "Date of Exercise" means the date on which the Holder shall have delivered to the Company: (i) the Exercise Notice (with the Warrant Exercise Log attached to it), appropriately completed and duly signed and (ii) if such Holder is not utilizing the cashless exercise provisions set forth in this Warrant, payment of the Exercise Price for the number of Warrant Shares so indicated by the Holder to be purchased.

(b) The Company's obligations to issue and deliver Warrant Shares in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by the Holder or any other Person of any obligation to the Company or any violation or alleged violation of law by the Holder or any other Person, and irrespective of any other circumstance which might otherwise limit such obligation of the Company to the Holder in connection with the issuance of Warrant Shares. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

-2-

6. Charges, Taxes and Expenses. Issuance and delivery of certificates for shares of Common Stock upon exercise of this Warrant shall be made without charge to the Holder for any issue or transfer tax, withholding tax, transfer agent fee or other incidental tax or expense in respect of the issuance of such certificates, all of which taxes and expenses shall be paid by the Company; provided, however, that the Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the registration of any certificates for Warrant Shares or Warrants in a name other than that of the Holder. The Holder shall be responsible for all other tax liability that may arise as a result of holding or transferring this Warrant or receiving Warrant Shares upon exercise hereof.

7. Replacement of Warrant. If this Warrant is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation hereof, or in lieu of and substitution for this Warrant, a New Warrant, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction and customary and reasonable indemnity (which shall not include a surety bond), if requested. Applicants for a New Warrant under such circumstances shall also comply with such other reasonable regulations and procedures and pay such other reasonable third-party costs as the Company may prescribe. If a New Warrant is requested as a result of a mutilation of this Warrant, then the Holder shall deliver such mutilated Warrant to the Company as a condition precedent to the Company's obligation to issue the New Warrant.

8. Reservation of Warrant Shares. The Company covenants that it will at all times reserve and keep available out of the aggregate of its authorized but unissued and otherwise unreserved Common Stock, solely for the purpose of enabling it to issue Warrant Shares upon exercise of this Warrant as herein provided, the number of Warrant Shares which are then issuable and deliverable

upon the exercise of this entire Warrant, free from preemptive rights or any other contingent purchase rights of persons other than the Holder (taking into account the adjustments and restrictions of Section 9). The Company covenants that all Warrant Shares so issuable and deliverable shall, upon issuance and the payment of the applicable Exercise Price in accordance with the terms hereof, be duly and validly authorized, issued and fully paid and nonassessable.

9. Certain Adjustments. The Exercise Price and number of Warrant Shares issuable upon exercise of this Warrant are subject to adjustment from time to time as set forth in this Section 9.

(a) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding, (i) pays a stock dividend on its Common Stock or otherwise makes a distribution on any class of capital stock that is payable in shares of Common Stock, (ii) subdivides outstanding shares of Common Stock into a larger number of shares, or (iii) combines outstanding shares of Common Stock into a smaller number of shares, then in each such case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment made pursuant to clause (i) of this paragraph shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution, and any adjustment pursuant to clause (ii) or (iii) of this paragraph shall become effective immediately after the effective date of such subdivision or combination. If any event requiring an adjustment under this paragraph occurs during the period that an Exercise Price is calculated hereunder, then the calculation of such Exercise Price shall be adjusted appropriately to reflect such event.

-3-

(b) Fundamental Transactions. If, at any time while this Warrant is outstanding, (1) the Company effects any merger or consolidation of the Company with or into another Person, (2) the Company effects any sale of all or substantially all of its assets in one or a series of related transactions, (3) any tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Common Stock are permitted to tender or exchange their shares for other securities, cash or property, or (4) the Company effects any reclassification of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (in any such case, a "Fundamental Transaction"), then the Holder shall have the right thereafter to receive, upon exercise of this Warrant, the same amount and kind of securities, cash or property as it would have been entitled to receive upon the occurrence of such Fundamental Transaction if it had been, immediately prior to such Fundamental Transaction, the holder of the number of Warrant Shares then issuable upon exercise in full of this Warrant (the "Alternate Consideration"). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. At the Holder's option and request, any successor to the Company or surviving entity in such Fundamental Transaction shall, either (1) issue to the Holder a new warrant substantially in the form of this Warrant and consistent with the foregoing provisions and evidencing the Holder's right to purchase the Alternate Consideration for the aggregate Exercise Price upon exercise thereof, or (2) purchase the Warrant from the Holder for a purchase price, payable in cash within five Trading Days after such request (or, if later, on the effective date of the Fundamental Transaction), equal to the Black Scholes value of the remaining unexercised portion of this Warrant on the date of such request. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this paragraph (b) and insuring that the Warrant (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction.

(c) Number of Warrant Shares. Simultaneously with any adjustment to the Exercise Price pursuant to paragraph (a) of this Section, the number of Warrant Shares that may be purchased upon exercise of this Warrant shall be increased or decreased proportionately, so that after such adjustment the aggregate Exercise Price payable hereunder for the adjusted number of Warrant Shares shall be the same as the aggregate Exercise Price in effect immediately prior to such adjustment.

(d) Calculations. All calculations under this Section 9 shall be made to the nearest cent or the nearest 1/100th of a share, as applicable. The number of shares of Common Stock outstanding at any given time shall not include shares owned or held by or for the account of the Company, and the disposition of any such shares shall be considered an issue or sale of Common Stock.

(e) Notice of Adjustments. Upon the occurrence of each adjustment pursuant to this Section 9, the Company at its expense will promptly compute such adjustment in accordance with the terms of this Warrant and prepare a certificate setting forth such adjustment, including a statement of the adjusted Exercise Price and adjusted number or type of Warrant Shares or other securities issuable upon exercise of this Warrant (as applicable), describing the transactions giving rise to such adjustments and showing in detail the facts upon which such adjustment is based. Upon written request, the Company will promptly deliver a copy of each such certificate to the Holder and to the Company's Transfer Agent.

(f) Notice of Corporate Events. If the Company (i) declares a dividend or any other distribution of cash, securities or other property in respect of its Common Stock, including without limitation any granting of rights or warrants to subscribe for or purchase any capital stock of the Company or any Subsidiary, (ii) authorizes or approves, enters into any agreement contemplating or solicits stockholder approval for any Fundamental Transaction or (iii) authorizes the voluntary dissolution, liquidation or winding up of the affairs of the Company, then the Company shall deliver to the Holder a notice describing the material terms and conditions of such transaction, at least 10 calendar days prior to the applicable record or effective date on which a Person would need to hold Common Stock in order to participate in or vote with respect to such transaction, and the Company will take all steps reasonably necessary in order to insure that the Holder is given the practical opportunity to exercise this Warrant prior to such time so as to participate in or vote with respect to such transaction; provided, however, that the failure to deliver such notice or any defect therein shall not affect the validity of the corporate action required to be described in such notice.

10. Payment of Exercise Price. The Holder may pay the Exercise Price in one of the following manners:

(a) Cash Exercise. The Holder may deliver immediately available funds; or

(b) Cashless Exercise. The Holder may notify the Company in an Exercise Notice of its election to utilize cashless exercise, in which event the Company shall issue to the Holder the number of Warrant Shares determined as follows:

$$X = Y [(A-B)/A]$$

where:

X = the number of Warrant Shares to be issued to the Holder.

Y = the number of Warrant Shares with respect to which this Warrant is being exercised.

A = the average of the closing prices for the five Trading Days immediately prior to

(but not including) the Exercise Date.

B = the Exercise Price.

For purposes of Rule 144 promulgated under the Securities Act, it is intended, understood and acknowledged that the Warrant Shares issued in a cashless exercise transaction shall be deemed to have been acquired by the Holder, and the holding period for the Warrant Shares shall be deemed to have commenced, on the date this Warrant was originally issued.

11. No Rights as Stockholder. Until the exercise of this Warrant, the Holder shall not have or exercise any rights by virtue hereof as a stockholder of the Company.

12. No Fractional Shares. No fractional shares of Warrant Shares will be issued in connection with any exercise of this Warrant. In lieu of any fractional shares which would, otherwise be issuable, the Company shall pay cash equal to the product of such fraction multiplied by the closing price of one Warrant Share as reported by the applicable Trading Market on the date of exercise.

14. Notices. Any and all notices or other communications or deliveries hereunder (including, without limitation, any Exercise Notice) shall be in writing and shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number specified in this Section prior to 5:30 p.m. (New York City time) on a Trading Day, (ii) the next Trading Day after the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number specified in this Section on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (iii) the Trading Day following the date of mailing, if sent by nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given. The addresses for such communications shall be: (i) if to the Company, to Mediavest, Inc., 2121 Avenue of the Stars, Suite 1650, Los Angeles, CA 90067 Attention: President, Facsimile No.: 310-277-2741 or such other address as the Company shall so notify the Holder, or (ii) if to the Holder, to the address or facsimile number appearing on the Warrant Register or such other address or facsimile number as the Holder may provide to the Company in accordance with this Section.

15. Warrant Agent. The Company shall serve as warrant agent under this Warrant. Upon 10 days' notice to the Holder, the Company may appoint a new warrant agent. Any corporation into which the Company or any new warrant agent may be merged or any corporation resulting from any consolidation to which the Company or any new warrant agent shall be a party or any corporation to which the Company or any new warrant agent transfers substantially all of its corporate trust or shareholders services business shall be a successor warrant agent under this Warrant without any further act. Any such successor warrant agent shall promptly cause notice of its succession as warrant agent to be mailed (by first class mail, postage prepaid) to the Holder at the Holder's last address as shown on the Warrant Register.

16. Miscellaneous.

(a) This Warrant shall be binding on and inure to the benefit of the parties hereto and their respective successors and assigns. Subject to the preceding sentence, nothing in this Warrant shall be construed to give to any Person other than the Company and the Holder any legal or equitable right, remedy or cause of action under this Warrant. This Warrant may be amended only in writing signed by the Company and the Holder and their successors and assigns.

(b) All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be governed by and construed and enforced in accordance with the internal laws of the State of New York (except with respect to matters governed by the corporate laws of the State of New Jersey), without regard to the principles of conflicts of law thereof. Affiliates, employees or agents) may be commenced non-exclusively in the state and federal courts sitting in the City of New York, Borough of Manhattan (the "New York Courts"). Each party hereto hereby irrevocably submits to the non-exclusive jurisdiction of the New York Courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any Proceeding, any claim that it is not personally subject to the jurisdiction of any New York Court, or that such Proceeding has been commenced in an improper or inconvenient forum. 3. Representations of the Purchasers. Each of the Purchasers severally represents and warrants to the Company as follows:

(a) The Purchaser has received and carefully reviewed such information and documentation relating to the Company that the Purchaser has requested, including without limitation, the Company's filings with the United States Securities and Exchange Commission (the "Commission").

(b) The Purchaser has had a reasonable opportunity to ask questions of and receive answers from the Company concerning the Company and the Offering, and all such questions, if any, have been answered to the full satisfaction of the Purchaser.

(d) Except as set forth herein, no representations or warranties have been made to the Purchaser by the Company or any agent, employee or affiliate of the Company and in entering into this transaction, the Purchaser is not relying upon any information other than the results of independent investigation by the Purchaser.

-2-

(f) Regulation D.

(i) The Purchaser understands and acknowledges that: (A) the Securities acquired pursuant to this Agreement have not been registered under the Securities Act and are being sold in reliance upon an exemption from registration afforded by Regulation D; and that such Securities have not been registered with any state securities commission or authority; (B) pursuant to the requirements of Regulation D, the Securities may not be transferred, sold or otherwise exchanged unless in compliance with the provisions of Regulation D and/or pursuant to registration under the Securities Act, or pursuant to an available exemption thereunder; and (C) other than as set forth in Section 5.1 of this Agreement, the Company is under no obligation to register the Securities under the Securities Act or any state securities law, or to take any action to make any exemption from any such registration provisions available.

-3-

(g) Neither the Purchaser, nor any affiliate of the Purchaser or any person acting on his, her or its behalf, has recently sold shares of unregistered Common Stock of the Company.

4. Condition to the Obligations of the Company. The obligations of the Company under Section 1.2 of this Agreement are subject to fulfillment, or the waiver, of the following condition on or before the Closing:

4.1 Accuracy of Representations and Warranties. The representations and warranties of the Purchasers contained in Section 3 shall be true on and as of the Closing Date with the same effect as though such representations and warranties had been made on and as of that date (except that any representation or warranty expressly stated to have been made or given as of a specific date need be true only as of such date).

5. Covenants of the Company.

5.1 Piggyback Registration Rights. If at any time the Company shall determine to register under the Securities Act any of its securities (other than on Form S-8 or Form S-4 or their then equivalents and other than shares to be issued solely (i) in connection with any acquisition of any entity or business (ii) upon the exercise of stock options, or (iii) pursuant to employee benefit plans), it shall send to each holder of Registrable Shares (as defined below), including each holder who has the right to acquire Registrable Shares, written notice of such determination and, if within thirty (30) days after receipt of such notice, such holder shall so request in writing, the Company shall use its commercially reasonable efforts to include in such registration statement all or any part of the Registrable Shares such holder requests to be registered therein; provided that, if, in connection with any offering involving an underwriting of Common Stock to be issued by the Company, the managing underwriter shall prohibit the inclusion of shares of Common Stock by selling holders in such registration statement or shall impose a limitation on the number of shares of such Common Stock which may be included in any such registration statement because, in its judgment, such limitation is necessary to effect an orderly public distribution, and such limitation is imposed pro rata with respect to all securities whose holders have a contractual, incidental ("piggyback") right to include such securities in the registration statement and as to which inclusion has been requested pursuant to such right and there is first excluded from such registration statement all shares of Common Stock sought to be included therein by (i) any holder thereof not having any such contractual, incidental registration rights, and (ii) any holder thereof having contractual, incidental registration rights subordinate and junior to the rights of the holders of Registrable Shares, the Company shall then be obligated to

include in such registration statement only such limited portion (which may be none) of the Registrable Shares with respect to which such holder has requested inclusion hereunder. "Registrable Shares" means the shares of Common Stock included in the Units and the shares of Common Stock underlying the Warrants included in the Units; provided, however, that shares of Common Stock shall cease to be Registrable Shares upon any sale of such shares pursuant to (i) a registration statement filed under the Securities Act, or (ii) Rule 144 promulgated under the Securities Act.

-4-

5.2 Reservation of Common Stock. The Company shall reserve and maintain a sufficient number of shares of Common Stock for issuance upon exercise of all of the outstanding Securities.

6. Transfer of Securities. The Purchaser is aware that the Company will make a notation in its appropriate records and issue "stop transfer" instructions to its transfer agent with respect to the restrictions on the transferability of such Securities.

(a) The Purchaser understands that this subscription is not binding upon the Company until the Company accepts it, which acceptance is at the sole discretion of the Company and is to be evidenced by the Company's execution of this Agreement where indicated. This Agreement shall be null and void if the Company does not accept it as aforesaid. In the event the Company does not accept the Offering proceeds, the Offering will not be completed and all Offering proceeds will thereafter be promptly returned to the Purchasers without interest or deduction. The undersigned understands that the Company may, in its sole discretion, reject this subscription, in whole or in part, and/or reduce this subscription in any amount and to any extent, whether or not pro rata reductions are made of any other investor's subscription.

(b) Subject to applicable state securities laws, the subscription delivered to the Company by the Purchaser pursuant to this Agreement is not subject to revocation by the Purchaser, but may be rejected by the Company, in whole or in part, in the Company's sole discretion, in which event the purchase price and execution copy of this Agreement submitted will be returned (by mail) to the undersigned without interest or deduction within 15 business days thereafter.

7. Forward Split. The Purchaser is aware that the Company intends to split (or dividend) shares of its Common Stock on a two and a half-for-one basis (the "Stock Split") on or about August 17, 2006 (the "Effective Date"). Since the Closing is anticipated to take place after the Effective Date, the Purchasers in the Offering will not benefit from the Stock Split. The Purchaser is aware that all purchases made pursuant to this Agreement reflect post-Stock Split share numbers and that the per share purchase price and the number of shares purchased will be reflected on a post-Stock Split basis at Closing. Thus, whereas, without giving effect to the Stock Split, each \$1.00 paid by a Purchaser in the Offering would have purchased a unit consisting of (i) two and a half shares of Common Stock, and (ii) a warrant to purchase two and a half shares of Common Stock, at an exercise price of \$2.00 per share, after giving effect to the Stock Split, each \$1.00 paid by a Purchaser in the Offering will purchase a unit consisting of (i) one share of Common Stock, and (ii) a warrant to purchase one share of Common Stock, at an exercise price of \$2.00 per share.

8. The Shares are subject to standard anti-dilution provisions in the event of forward or reverse stock splits or recapitalizations. For example, if the Company engages in a two for one reverse stock split, a holder of 100,000 Shares will be affected as follows:

Pre-Split Ownership:

100,000 Shares

Post-Split Ownership:

50,000 Shares

-5-

9. Broker's Fees. The Purchaser is aware that, in connection with the Offering, the Company may pay a broker's fee or fees totaling up to 10% of the gross proceeds received by the Company from the Offering.

10. Miscellaneous.

10.1 Successors and Assigns. This Agreement and any rights and obligations hereunder may not be transferred or assigned by the Purchaser without the prior written consent of the Company. This Agreement shall inure to the benefit of, and be binding upon the Company and the Purchaser and their respective heirs, legal representatives and permitted assigns.

10.2 Survival. All representations and warranties and all covenants, agreements and obligations made by the Company or the Purchasers in this Agreement, or in any instrument or document furnished in connection with this Agreement or the transactions contemplated hereby, shall survive the Closing and any investigation at any time made by or on behalf of any indemnified party.

10.3. Indemnification. The Purchaser agrees to indemnify the Company and hold it harmless from and against any and all losses, damages, liabilities, costs and expenses which it may sustain or incur in connection with the breach by the Purchaser of any representation, warranty or covenant made by the Purchaser .

10.4 Notices. All notices or other communications hereunder shall be in writing and shall be deemed to have been duly given if delivered personally or mailed by certified or registered mail, return receipt requested, postage prepaid, as follows:

REPRESENTATIONS AND WARRANTIES

3.1 Representations, Warranties and Agreements of the Company. The Company hereby makes the following representations and warranties to the Purchaser, all of which shall survive the Closing:

(a) Organization and Qualification. The Company is a corporation, duly incorporated, validly existing and in good standing under the laws of the State of New Jersey, with the requisite corporate power and authority to own and use its properties and assets and to carry on its business as currently conducted.

(b) Authorization, Enforcement. The Company has the requisite corporate power and authority to enter into and to consummate the transactions contemplated hereby and by each other Transaction Document and to otherwise carry out its obligations hereunder and thereunder. The execution and delivery of this Agreement and each of the other Transaction Documents by the Company and the consummation by it of the transactions contemplated hereby and thereby has been duly authorized by all necessary action on the part of the Company. Each of this Agreement and each of the other Transaction Documents has been or will be duly executed by the Company and when delivered in accordance with the terms hereof or thereof will constitute the valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting generally the enforcement of, creditors' rights and remedies or by other equitable principles of general application.

(c) Issuance of Securities. The Shares have been duly and validly authorized for issuance, offer and sale pursuant to this Agreement and, when issued and delivered as provided hereunder against payment in accordance with the terms hereof, shall be valid and binding obligations of the Company enforceable in accordance with their respective terms. When issued in accordance with the terms hereof, the Shares will be duly authorized, validly issued, fully paid and non-assessable.

3.2 Representations and Warranties of the Purchaser. The Purchaser hereby represents and warrants to the Company as follows:

(a) Authority. The Purchaser has the requisite power and authority to enter into and to consummate the transactions contemplated hereby and by the other Transaction Documents and otherwise to carry out its obligations hereunder and thereunder. The acquisition of the Shares to be purchased by the Purchaser hereunder has been duly authorized by all necessary action on the part of the Purchaser. This Agreement has been duly executed and delivered by the Purchaser and constitutes the valid and legally binding obligation of the Purchaser, enforceable against it in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws relating to, or affecting generally the enforcement of, creditors rights and remedies or by other general principles of equity.

-3-

(b) Investment Intent. The Purchaser is acquiring the Shares to be purchased by it hereunder, and will acquire the Shares for its own account for investment purposes only and not with a view to or for distributing or reselling such Shares, or any part thereof or interest therein, without prejudice, however, to such Purchaser's right, subject to the provisions of this Agreement, at all times to sell or otherwise dispose of all or any part of such Shares in compliance with applicable federal and state securities laws.

(c) Experience of Purchaser. The Purchaser, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of an investment in the Shares to be acquired by it hereunder, and has so evaluated the merits and risks of such investment.

(f) Reliance. The Purchaser understands and acknowledges that (i) the Shares are being offered and sold to it hereunder are being offered and sold without registration under the Securities Act in a private placement that is exempt from the registration provisions of the Securities Act under Section 4(2) of the Securities Act and (ii) the availability of such exemption depends in part on, and that the Company will rely upon the accuracy and truthfulness of, the foregoing representations and such Purchaser hereby consents to such reliance.

ARTICLE IV OTHER AGREEMENTS OF THE PARTIES

4.1 Manner of Offering. The Shares are being issued pursuant to section 4(2) of the Securities Act.

-4-

4.2 Blue Sky Laws. The Company shall cooperate with the Purchaser in connection with the exemption from registration of the Shares under the securities or Blue Sky laws of such jurisdictions as the Purchaser may request; provided, however, that the Company shall not be required in connection

therewith to qualify as a foreign corporation where they are not now so qualified. The Company agrees that it will execute all necessary documents and pay all necessary state filing or notice fees to enable the Company to sell the Shares to the Purchaser.

4.3 Integration. The Company shall not and shall use its best efforts to ensure that no Affiliate shall sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that would be integrated with the offer or sale of the Shares in a manner that would require the registration under the Securities Act of the sale of the Shares to the Purchaser.

ARTICLE V MISCELLANEOUS

5.1 Entire Agreement. This Agreement, together with all of the Exhibits and Schedules annexed hereto, and any other Transaction Document contains the entire understanding of the parties with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral or written, with respect to such matters.

5.2 Amendments; Waivers. No provision of this Agreement may be waived or amended except in a written instrument signed, in the case of an amendment, by both the Company and the Purchaser, or, in the case of a waiver, by the party against whom enforcement of any such waiver is sought. No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right accruing to it thereafter.

5.3 Headings. The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof.

5.4 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. The assignment by a party of this Agreement or any rights hereunder shall not affect the obligations of such party under this Agreement.

5.5 No Third Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective permitted successors and assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other person.

5.6 Governing Law. The parties hereto acknowledge that the transactions contemplated by this Agreement and the exhibits hereto bear a reasonable relation to the State of New York. The parties hereto agree that the internal laws of the State of New York shall govern this Agreement and the exhibits hereto.

-5-

5.7 Counterpart Signatures. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) the same with the same force and effect as if such facsimile signature page were an original thereof.

5.8 Severability. In case any one or more of the provisions of this Agreement shall be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement shall not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision which shall be a reasonable substitute therefore, and upon so agreeing, shall incorporate such substitute provision in this Agreement.
